Acknowledgment of risk related to covid-19

Covid-19 policy

By entering onto any property of Texas Church of God or participating in any Texas Church of God programs or events, I, (on behalf of myself and my family members) acknowledge and agree with the following:

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization and is reported to be extremely contagious. The state of medical knowledge is of course, ever-evolving, but the virus is believed to spread from person-to-person contact and/or by contact with contaminated surfaces and objects, and even in the air. People reportedly can be infected and show no symptoms and therefore spread the disease. The exact methods of spread and contraction are unknown, and there is no known cure for COVID-19. Evidence has shown that COVID-19 can cause serious and potentially life- threatening illness and even death.

Texas Church of God cannot prevent me or my family members from becoming exposed to, contracting, or spreading COVID-19 while on any property of Texas Church of God or when participating in Texas Church of God programs or events. Therefore, by entering a Texas Church of God facility or participating in one of its programs, I acknowledge that I may be exposing myself and my family members to and/or increasing my/our risk of contracting or spreading COVID-19. I expressly assume that risk, on behalf of myself and my family. ***I (on behalf of myself and my family members), hereby forever release and waive my right to bring suit against Texas Church of God or any of its affiliates, officers, directors, employees or other representatives related to any of the foregoing.***
